THE ISLAND OF MUSTIQUE
The Grenadines, West Indies

FACT SHEET: Honeymoons

Mustique island has long been a favorite for honeymoon couples as it provides both an intimate villa experience, as well as a romantic island lifestyle. Mustique, with its many activities and beautiful beaches, allows couples to enjoy its serene beauty and all its pleasures like horseback riding, tennis, spa treatments, scuba diving and more. At the same time couples will stay in luxury villas that afford both privacy and comfort, with every need attended to by a dedicated staff. Truly, the best of both worlds.

VILLAS

Mustique currently has seven (7) two bedroom villas which are very popular for honeymooners. The weekly tariff is divided into two seasons:

Summer season (May 1st thru November 14th): **\$4,000 – 7,000**

Peak season (November 15th – April 30th): **\$6,000 – 10,000**

All villas have a dedicated staff (minimum of three persons): a cook, a maid and a gardener. All but one of the villas have swimming pools.

Included in the weekly rental is the use of a vehicle, usually a “mule” which is a fun way to experience the island in the open air. Laundry and ironing services are provided by the villa staff.

**FOOD &
BEVERAGE**

Breakfast in bed or on the verandah is a typical way to start the day on Mustique. Luncheon is generally served poolside. Beach picnics can be arranged and served by the villa staff. Reservations for a picnic table must be secured in advance thru the Villa Rentals Department. The Beach Café at the Cotton House is another delightful luncheon venue.

Candlelight dinners can be served in the privacy of the villa. Other dining options included The Verandah Restaurant at the Cotton House, Basil’s Bar, or The Firefly. Additionally, all island guests are invited to the weekly Tuesday evening cocktail reception hosted by Mustique Company and held in The Great Room of the Cotton House.

SERVICES

All guests are warmly greeted at the airport upon arrival and escorted to their villa by staff from the Villa Rentals Department. The honeymooners will receive a welcome drink at their villa and a “Congratulations” banner will greet them at

the entrance. A bottle of chilled champagne will also be provided, compliments of The Mustique Company.

Massage services can be arranged for treatments in the privacy of the villa or appointments can be arranged at the island's Spa.

RECREATION

In addition to the fitness centre in the spa building, there is a good selection of recreation including an equestrian facility, water sports, tennis and fitness trails. Additionally, daysails to neighboring islands can easily be arranged. Sailing offers the added benefit of viewing the island and villas from the sea.
