## **Island of Mustique Announces Private Airlift for Guests and Villa Owners**

### ***Partnership with Grenadine Airways Provides Direct Flight Service***

*Mustique, West Indies — July 6, 2009* — The Mustique Company is pleased to announce they have forged a partnership with Grenadine Airways, which will provide direct flights in and out of Mustique, exclusively for villa owners and guests of the island. This new enterprise, a first for the island, will improve the flight service to Mustique on a variety of levels: it will serve to increase seat availability, diminish the “island hopping” of some flights and ultimately enhance service for the discerning Mustique traveler.

With this new service, the regularly scheduled flights twice daily in and out of Mustique from Barbados will remain the same. However, island guests arriving in both Barbados and St. Lucia will now have more scheduling flexibility as the need to add extra flights arises. Scheduled flight times can also be altered based on arriving international flights. In addition, all Grenadine Airways reservations can be arranged by the Mustique Villa Rentals Department, which now has direct access to the GAW online booking system, allowing them to check availability and make flight reservations for island guests.

In addition to the new flight services, The Mustique Company is fully refurbishing their two Twin Otter aircrafts this summer in accordance with international ICAO regulations. Operated by Grenadine Airways, the 18-seat Twin Otters are the most versatile and reliable aircraft of their generations, making them the perfect choice for an enjoyable and comfortable ride to Mustique.

For all scheduled, shared or private charter availability and reservation enquiries please contact The Villa Rental Department of The Mustique Company: [villarentals@mustique.vc](mailto:villarentals@mustique.vc) or call (784) 488-8000. [www.mustique-island.com](http://www.mustique-island.com).
